MAY 2022 – JULY 2022, MAY 2023-JULY 2023

WEB DEVELOPMENT INTERN, DATA FRONT

Interned at Data Front (formerly known as Transmission Media) over two summers to implement complete data analytics feature for website reporting, and an AWS alarm system. Learned how to work with the JS React framework and key concepts such as REST APIs, HTML DOM, Git version control, and many more. Data Front is a leading competitor of financial reporting software for mutual fund companies in North America.

APRIL 2021 – JUNE 2021

INVESTMENT ANALYST INTERN, ALTAS PARTNERS

Worked with the investment analyst team at Altas Partners in a 3-month program to learn the inner workings of private equity, assist with market research, source and conduct interviews with high-profile experts, and present a complete preliminary risk analysis of a leading healthcare provider in the United States for a principal at Altas.

MARCH 2021 – APRIL 2021

RESEARCH INTERN, HOT DOCS

Worked with Hot Docs over a two-month period to research prospective film investments, proof data documents, and source information on individuals of interest.
